Design West offers inspiring spaces to host memorable events. From team meetings to networking, presentations & workshops, our historic building on Bristol harbourside is designed to bring people together & share ideas.

We'll make sure your event runs smoothly with superfast broadband & a range of presentation equipment available to hire including a PA system, microphones & projectors. Our Café Bar The Architect will keep you fueled with tea & coffee, freshly made sandwiches & a selection of great wines & beers. As a registered charity, our venue hire income goes directly towards supporting our innovative public engagement & education programmes.
